REVIEW OF OPERATIONS:

During the year, your Company has made a strategic entry in different parts of the Country with its variety of hybrids, resulting into an improved sales and Turnover. This was done while retaining its leadership position in the States of Andhra Pradesh and Karnataka and consolidated its position at different locations of the country from time to time. All these positive developments helped your Company to improve its sales top and bottom line.

Profit Margins were better and multifold and hence the net profit was higher over the previous year by 371.53% when compared to financial year 2005-06.

Revenues for the year 2006-07 were Rs.6724.00 Lakhs which were higher by 1752.00 Lakhs and the net profit by Rs.777.00 Lakhs when compared to previous year i.e., an increase of 271.53%. Your Company faced challenges effectively while entering into competitive market in India, even at prevailing high cost and pressure on product prices from other competitors.

The strengths of the Company like efficient processing system, ability to manage its available resources cost competitiveness and capacity to deliver what the farmers want at an affordable prices helped the Company to come out of its shackles and other constraints.

FUTURE OUTLOOK

Your Company sees a big potential for its different Hybrids like Corn, Sun Flower, Bt. Cotton, Paddy, Jowar, Bajara and other divisions like organic manures and micro nutrients. Apart from this, your Company is also planning to come out with an IPO during August/September 2007 for about Rs.80.00 Crores to Rs.100.00 Crores, (price as may be decided in Red Herring Prospectus) in order to further expand and consolidate the company's revenues/turnover in a big way by opening its Godowns, Branch Offices and Research Centers

through out the country to become a market leader in the Hybrid Seeds/Micro Nutrients and allied Products of organic farming.

RESEARCH & DEVELOPMENT:

The Seed market is very dynamic in nature. Once a Hybrid Seed is developed and introduced in the market, its acceptability gradually declines from year to year. Therefore, the Company need to invest in Research to introduce different high quality hybrids in the market to ensure sustainable growth levels in the company's revenues. Research and Development is a constant pursuit of new ideas and innovations and it is market driven.

The Company is on the verge of expansion plans to consolidate the past gains accrued over the years. Plans are afoot to strengthen human resources, infrastructure and to revamp R & D strategy for developing new hybrids or diversify agri based products. During the year under review, steps are initiated (i) to modernize the seed processing plant by addition of automatic drier (ii) refurbish seed technology and quality control units (iii) initiate establishment of a gene bank as a repository of genetic resources. Further expansion of Biotechnology activities for deployment DNA marker technology for hybrid purity testing and marker assisted selection is under way.

In the Agritek Division we have hired two more Microbiologists and procured equipment for mass mixture of Biopesticides. Successfully developed, two new bio- products by name Bioguard and Biocens. On the micronutrient front a new organic product - Ultymax (Bt special for cotton) has been developed and being marketed. The Crops Division has developed few new hybrids this year. These are Kaveri Super Boss (Bajra); Ruby, Elizabeth Local and Green Cap (Tomato); Cyber hot and Kaveri Kranthi (Chilly).

AUDITORS' REPORT

To

The Members of
KAVERI SEED COMPANY LIMITED

We have audited the attached Balance Sheet of Kaveri Seed Company Limited, as at 31st March 2007 and also the Profit and Loss Account for the year ended on that date annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based in our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As required by the Companies (Auditors' Report) Order, 2003 issued by the Central government of India in terms of Sub-Section (4A) of Section 227 of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 & 5 of the said order.

Further to our comments in the annexure referred to above, we report that:

- i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.

**NOTES ANNEXED TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED MARCH 31, 2007****1. Statement of significant Accounting Policies****a. System of Accounting**

The Financial Statements of the Company have been prepared under the historical cost convention on accrual basis, to comply in all material respects with the mandatory Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 1956, except in the case of sale realizable scrap which are accounted for on receipt basis.

b. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured

- i. Revenue from sale of goods is recognized on dispatch which coincides with transfer of significant risks & rewards to customer and is net of trade discounts, sales returns and sales tax, where ever applicable.
- ii. Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable

c. Fixed assets and Depreciation

- i. Fixed assets are stated at cost less accumulated depreciation, impairment losses and specific grant/subsidies if any. Cost comprise the purchase price, freight, duties, taxes and any attributable cost of bringing the asset to its working condition for its intended use. Finance costs relating to acquisition of fixed assets are included to the extent they relate to the period till such assets are ready for intended use.
- ii. Expenditure directly relating to construction activity is capitalized. Indirect expenditure is capitalized to the extent it relates to the construction activity or is incidental thereto. Income earned during construction period is deducted from the total expenditure relating to construction activity.
- iii. Assets retired from active use and held for disposal are stated at their estimated net realizable values or net book values, whichever is lower.
- iv. The carrying amount of fixed assets are reviewed at each balance sheet date when required to assess whether they are recorded in excess of their recoverable amounts, and where carrying values exceed the estimated recoverable amount, assets are written down to their recoverable amount.
- v. Depreciation is provided on written down value method, at the rate specified in schedule XIV to the Companies Act, 1956.

d. Research and Product Development costs:

Research costs which is of revenue nature, is charged to revenue, while capital expenditure is included in the respective heads under fixed assets.

e. Investments

- i. Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments.
- ii. Long-term investments are carried at cost. However, provisions for diminution in value is made to recognize a decline, other than temporary, in the value of the investments. Current investments are carried at lower of cost and fair value determined on individual investment basis.

f. Inventories

- i. Raw materials, packing materials, stores, spares and consumables are valued at cost, calculated on "First-in first out" basis, which is either equal to or less than the net realizable value. Items held for use in the production of inventories are not written down below cost if the finished product in which they will be incorporated are expected to be sold at or above cost.

- ii. Finished goods and Work-in-process are valued at lower of cost and net realizable value. Cost includes materials, labour and a proportion of appropriate overheads.
- iii. Trading goods are valued at lower of cost and net realizable value
- iv. Net realizable value is the estimated selling price in the ordinary course of business, reduced by the estimated costs of completion and costs to effect the sale.
- v. Management has carried out physical verification of stock.

g. Retirement and other Employee Benefits

- i. Contribution to Provident Fund, which is a defined contribution plan, are charged to the profit and loss account on an accrual basis.
- ii. Liability for gratuity is accounted on payment basis.

h. Income Taxes

Tax expense consists of both current, deferred taxes and fringe benefit tax. Current income tax and fringe benefit tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian income Tax Act, 1961. Deferred income taxes reflect the impact of currency year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

- i. Earnings per Share

Basic Earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

j. Provisions

A provision is recognized when the Company has a present obligation as a result of past event i.e., it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
