

INDEPENDENT AUDITOR'S REPORT

To
The Members of **ADITYA AGRITECH PRIVATE LIMITED.**

Report on the Audit of the Standalone Financial Statements

Opinion:

We have audited the accompanying Standalone Financial Statements of **ADITYA AGRITECH PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March 2019, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (here after referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, the profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Standalone Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (changes in equity), and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and

application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty

A handwritten signature in black ink, appearing to be "Raj".

exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Companies Act, 2013, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of the account;
 - d) in our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with rules issued thereunder;
 - e) on the basis of written representations received from the directors as on 31 March 2019, and taken on record by the Board of Directors, none of the directors is

disqualified as on 31 March 2019, from being appointed as a director in terms of Section 164(2) of the Act;

- f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'; and
- g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note 34 to the standalone financial statements;
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. there are no amounts which are required to be transferred, to the Investor Education and Protection Fund by the Company for the year ended 31 March 2019.

Annexure - A referred to in the Auditors' Report to the Members of M/S.ADITYA AGRITECH PRIVATE LIMITED for the year ended 31st March, 2019. We report that:

- i. In respect of its Fixed Assets:
 - a. The company has maintained proper records, showing full particulars, including quantitative details and situation of fixed assets.
 - b. According to the information and explanations given to us, the fixed assets were physically verified during the year by the management in accordance with regular programme of verification which, in our opinion, provides for physical verification of the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c. According to the information and explanations given to us, and on the basis of our examination of records of the company, the title deeds of immovable properties shown in the fixed asset schedule are held in the name of company.
- ii. As explained to us, the inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on physical verification between the physical stocks and the book records are not material and they have been properly dealt with in the books of accounts.
- iii. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013, during the year. Accordingly paragraph 3(iii) of the Order is not applicable to the Company.
- iv. According to the information and explanations given to us, The Company has not given any loans, made any investments, given any guarantees and securities to any person to which provisions of the section 185 and 186 of the companies Act 2013 are applicable.
- v. According to the information and explanations given to us, the Company has not accepted any deposit from the public. Therefore, the provisions of Clause (v) of paragraph 3 of the CARO 2016 are not applicable to the Company.

- vi. According to the information and explanations given to us, the maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013, has not been prescribed by the Central Government for the activities of the Company.
- vii.
- a. According to the information and explanations given to us and according to the books and records, the Company is generally regular in depositing with appropriate authorities' undisputed statutory dues, including provident fund, Employees' state insurance, income-tax, sales-tax, service tax, customs duty, duty of excise, Value added tax, cess and other material statutory dues as applicable to it. According to the information and explanations given to us, there are no undisputed amounts payable in respect aforesaid dues, as at 31st March, 2019 for a period of more than six months from the date they became payable.
- b. According to the information and explanations given to us, there are no dues of income-tax, service tax and customs duty, which have not been deposited on account of any dispute.
- viii. Based on our audit procedures and according to the information and explanations given to us, we are of the opinion that the Company has not defaulted in repayment of dues to financial institutions, banks, Government or dues to debenture holders.
- ix. In our opinion and according to the information and explanations given to us, the Company has utilized the money raised by way of the term loans for the purposes for which they were raised and has not raised money by way of initial public offer/further public offer (Including debt instruments) during the year. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
- x. In our opinion and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.

- xi. In our opinion and according to the information and explanations given to us, Managerial remuneration paid or provided with requisite approvals mandated in the provision of section 197 read with schedule V to the Companies Act 2013.
- xii. In our opinion, the company is not a nidhi, therefore provisions of clause 3(xii) of companies (Auditors Report) Order, 2016 as amended are not applicable to the company.
- xiii. In our opinion and according to the information and explanations given to us, all transactions entered by related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Standalone Ind AS financial Statements as required by applicable accounting standards.
- xiv. According to the information and explanations given to us, the company has not made any preferential allotment of shares or private placement of shares or fully or partly convertible debentures during the year under the review. Therefore, the provisions of clause 3(xiv) of the Order are not applicable to the Company.
- xv. According to the information and explanations given to us, during the year the company has not entered in to any non-cash transactions with directors or persons connected with him. Accordingly, paragraph – 3(xv) of the order is not applicable.
- xvi. In our opinion and according to the information and explanations given to us, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

Annexure-B referred to Independent Auditor's Report to the Members of M/S.ADITYA AGRITECH PRIVATE LIMITED for the year ended 31st March, 2019.

Referred to in the Independent Auditor's Report of even date to the members of Aditya Agritech Private Limited on the standalone Ind AS financial statements for the year ended March 31, 2019.

Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Aditya Agritech Private Limited ("the company") as of March 31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting [the "Guidance Note"] issued by the Institute of Chartered Accounts of India ["ICAI"]. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the preventing and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial

controls and both issued by the ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depending on the auditor's judgment, including the assessment of the risks of the material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

- 6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with Generally Accepted Accounting Principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transaction are recorded as necessary to permit preparation of financial statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditure of the company are being made only in accordance with authorizations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projection of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the company has, in all material respects, an adequate internal financial controls systems over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accounts of India.

Notes forming part of Financial Statements for the year ended March 31, 2019

1 Corporate Information

Aditya Agritech Private Limited ("the Company") has been incorporated on 4th April, 2013 as private limited company. The company is into research, production, processing and marketing of various high quality hybrid seeds.

The financial statements reflect the results of its operations carried on by the company.

2 Summary of significant accounting policies

2.1 Statement of Compliance:

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter, relevant provisions of the Act and other Accounting principles generally accepted in India.

2.2 Basis for preparation of financial statements

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India on accrual basis under the historical cost convention, except for certain financial instruments which are measured at fair value. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

In estimating the fair value of an asset or liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purpose in these standalone financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III of Companies Act 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

2.3 Use of Estimates

The preparation of financial statements requires the management of the company to make estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses during the reported period. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material their effects are disclosed in the financial statements.

2.4 Property, Plant & Equipment and Other Intangible assets

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses if any. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset as appropriate only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss. Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress". Depreciation is provided using WDV method over the estimated useful life prescribed under Schedule II to the Companies Act, 2013.

Freehold land is not depreciated.

Separately purchased intangible assets are initially measured at cost. Intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses if any. Intangible assets are amortized over their respective individual estimated useful lives on a WDV basis, from the date that they are available for use.

2.5 Biological Asset

Recognition and measurement

The company recognises the biological asset (agricultural produce) when:

- (a) the company controls the asset as a result of past events;
- (b) it is probable that future economic benefits associated with the asset will flow to the company; and
- (c) the fair value or cost of the asset can be measured reliably.

The biological asset are at the end of each reporting period at its fair value less costs to sell.

A gain or loss arising on initial recognition of biological asset at fair value less costs to sell is included in retained earnings and thereafter in profit or loss for the period in which it arised.

2.6 Leases

Leases in which a substantial portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments and receipts under such leases are recognised to the Statement of Profit and Loss on a straight-line basis over the term of the lease unless the lease payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases in which case the same are recognised as an expense in line with the contractual term.

2.7 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are added to the cost of those assets until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in Statement of profit or loss in the period in which they are incurred.

2.8 Government Grants

Government Grants are recognised in profit or loss on a systematic basis over the periods in which the company recognises as expenses the related cost for which the grants are intended to compensate. Specifically government grants whose primary condition is that the company purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the company with no future related costs are recognised in profit or loss in the period in which they become receivable.

2.9 Impairment of Assets:

i) Financial assets

Company assesses at each balance sheet date whether there is objective evidence that a financial asset or a group of financial assets is impaired. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

Impairment loss on financial assets carried at amortised cost is measured at the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. In a subsequent period if the amount of impairment loss decreases and the decreases can be related objectively to an event the previously recognised impairment is reversed through profit or loss.

ii) Non-financial assets

Property, Plant & Equipment and Other Intangible assets

Property, Plant and Equipment and Other intangible assets with definite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the profit or loss

2.10 Revenue recognition:

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the modified retrospective approach, applied to contracts that were not completed as of April 1, 2018. In accordance with the cumulative catch-up transition method, the comparatives have not been retrospectively adjusted. The effect on adoption of Ind AS 115 was insignificant.

Revenue is recognized upon transfer of control of promised products to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and indirect taxes. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/ discounts.

The Company recognises provision for sales return, based on the historical results, measured on net basis of the margin of the sale. Therefore, a refund liability, included in other current liabilities, are recognized for the products expected to be returned.

The company classifies the right to consideration in exchange for goods as a receivable and is presented net of impairment in the Balance Sheet

Income from export incentives such as duty drawback and premium on sale of import licenses and lease license fee are recognised on accrual basis.

2.11 Dividend and Interest Income

Dividend income from investments is recognised when the shareholders right to receive payment has been established (provided that it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis by reference to the principal outstanding and at the effective interest rate applicable which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.12 Foreign currency transactions:

The functional currency of the Company is Indian Rupees (INR).

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Gains and losses arising on settlement are included in the profit or loss.

2.13 Financial Instruments

Financial assets and liabilities are recognised when the company becomes a party to the contractual provisions of the instrument.

Financial assets and liabilities are measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on financial asset or financial liability.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

Non-derivative financial instruments

Cash and cash equivalents

The company considers all highly liquid financial instruments which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cashflows and the contractual terms of the financial asset give rise on specified dates to cashflows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

The company has made an irrevocable election to present subsequent changes in fair value of investments not held for trading in other comprehensive income.

Financial assets at fair value through Profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at cost or at fair value through other comprehensive income. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit or loss.

Financial assets at cost

Investment in subsidiaries are measured at cost.

Financial liabilities

Financial liabilities at fair value through profit and loss are stated at fair value, with any gains or losses arising on remeasurement recognised in profit and loss.

For trade and other payables maturing within one year from the Balance Sheet date the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cashflows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

The Company derecognises financial liabilities when, and only when, the Company's obligation are discharged, cancelled or have expired.

2.14 Employee Benefits:

a) Gratuity:

The company accounts for its gratuity liability a defined retirement benefit plan covering eligible employees. The gratuity plan provides for a lump sum payment to employees at retirement, death, incapacitation or termination of the employment based on the respective employee's salary and the tenure of the employment. Liabilities with regard to a Gratuity plan are determined based on the actuarial valuation carried out by an independent actuary as at the Balance Sheet date using the Projected Unit Credit method for the Company.

Actuarial gains and losses are recognised in full in other comprehensive income and accumulated in equity in the period in which they occur.

b) Provident fund:

The eligible employees of the Company are entitled to receive the benefits of Provident fund a defined contribution plan in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently at 12% of the basic salary) which are charged to the Statement of Profit and Loss on accrual basis. The provident fund contributions are paid to the Regional Provident Fund Commissioner by the Company.

The Company has no further obligations for future provident fund and superannuation fund benefits other than its annual contributions.

c) Compensated absences:

The company provides for the encashment of leave subject to certain company's rules. The employees are entitled to accumulate leave subject to certain limits for future encashment or availment. The liability is provided based on the number of days of unavailed leave at each Balance Sheet date on the basis of an independent actuarial valuation using the Projected Unit Credit method for the Company.

The liability which is not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised based on actuarial valuation as at the Balance Sheet date.

Actuarial gains and losses are recognised in full in the Statement of Profit and Loss in the period in which they occur.

The company also offers a short term benefit in the form of encashment of unavailed accumulated compensated absence above certain limit for all of its employees and same is being provided for in the books at actual cost.

d) **Other short term employee benefits:**

Other short-term employee benefits such as performance incentives expected to be paid in exchange for the services rendered by employees, are recognised during the period when the employee renders the service.

2.15 Share Based Payment Arrangements

Employees of the Company receive remuneration in the form of sharebased payments in consideration of the services rendered.

Under the equity settled share based payment the fair value on the grant date of the awards given to employees is recognised as 'employee benefit expenses' with a corresponding increase in equity over the vesting period. The fair value of the options at the grant date is calculated by an independant valuer basis Black Scholes model. At the end of each reporting period apart from the non market vesting condition the expense is reviewed and adjusted to reflect changes to the level of options expected to vest. When the options are exercised the Company issues fresh equity shares.

For cash-settled share based payments, the fair value of the amount payable to employees is recognised as 'employee benefit expenses' with a corresponding increase in liabilities over the period of non market vesting conditions getting fulfilled. The liability is remeasured at each reporting period up to and including the settlement date with changes in fair value recognised in employee benefits expenses.

2.16 Inventories

Inventories comprise of Raw and Packing Materials, Work in Progress, Finished Goods(Manufactured and Traded). Inventories are valued at the lower of cost or the net realisable value after providing for obsolescence and other losses where considered necessary. Cost is determined on FIFO basis. Cost includes all charges in bringing the goods to their present location and condition including octroi and other levies, transit insurance and receiving charges. The cost of work-in-progress and finished goods comprises of materials, direct labour, other direct costs and related production overheads. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

2.17 Trade Receivables

Trade receivables are stated at net of advances. Ageing of receivable are considered as tool to determine the degree of liquidity. Receivable due for more than two years and balance considered doubtful, referred for recovery through legal proceeding are considered for provision.

2.18 Taxation:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to / recovered from the tax authorities based on estimated tax liability computed after taking credit for allowances and exemption in accordance with the tax laws applicable in India.

Minimum Alternative Tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability is considered as an asset if there is convincing evidence that the company will pay normal tax in future periods. Accordingly it is recognized as an asset in the Balance Sheet when it is probable that the future economic benefit associated with it will flow to the company and the asset can be measured reliably.

Deferred income taxes

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred income tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred income tax liabilities are recognised for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

The Company recognises interest levied and penalties related to income tax assessments in income tax expenses.

2.19 Earnings per Share:

Basic earnings/ (loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the Balance Sheet date but before the date the financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings / (loss) per share, the net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period unless issued at a later date.

2.20 Provision, Contingent Liabilities and Contingent Assets:

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which reliable estimate can be made. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects when appropriate the risks specific to the liability. When discounting is used the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities and Contingent Assets are not recognized in the financial statements.

2.21 Critical accounting estimates and judgements:

In preparing these financial statements, Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Information about significant areas of estimation uncertainty and judgements in applying accounting policies that have the most significant effect on standalone financial statements are as follows.

- a) Provision for doubtful debts - Refer note no. 7
- b) Provision for schemes - Refer note no. 15

2.22 Standards issued but not effective:

On March 30, 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116- Lease and certain amendment to existing Ind AS. These amendments shall be applicable to the Company from April 01, 2019

a) Issue of Ind AS 116 - Lease

Ind AS 116 will replace the existing leasing Standard i.e Ind AS 17 and related interpretations. Ind AS 116 introduces a single lessee accounting model and requires lessee to recognise assets and liabilities for all leases with non-cancellable period of more than twelve months except for low value assets. Ind AS 116 Substantially carries forward the lessor accounting requirements in Ind AS 17

b) Amendment to existing Standard

The MCA has also carried out amendments of the following accounting standards

- i. Ind AS 101-First time adoption of Indian Accounting Standards
- ii. Ind AS 103-Business Combinations
- iii. Ind AS 109-Financial Instruments
- iv. Ind AS 111-Joint Arrangements
- v. Ind AS 12-Income Taxes
- vi. Ind AS 19-Employee Benefits
- vii. Ind AS 23-Borrowing Costs
- viii. Ind AS 28-Investment in Associates and Joint Ventures

Application of above standards are not expected to have any significant impact on the company's financial statements

Rights, preferences and restrictions attached to equity shares

The Company has only one class of shares referred to as equity shares having a par value of Rs. 10 per share. Each shareholder is eligible for one vote per share held and carry a right to dividend. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

32 Employee benefit plans

(Rs in Lakhs)

The gratuity scheme is a final salary Defined Benefit Plan that provides for a lump sum payment made on exit either by way of retirement, death, disability or voluntary withdrawal. The benefits are defined on the basis of final salary and the period of service and paid as lump sum at exit. The plan design meant the risks commonly affecting the liabilities and the financial results are expected to:

- Interest rate risk** : the defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.
- Salary inflation risk** : Higher than expected increases in salary will increase the defined benefit obligation
- Demographic risk** : For example, as plan is open to new entrants, an increase in membership will increase the defined benefit obligation. Also, the plan only provides benefits upon completion of a vesting criteria. Therefore, if turnover rates increase, then the liability will tend to fall as fewer employees reach vesting period.

1 - Reconciliation of Defined Benefit Obligation	31-Mar-19	31-Mar-18
Opening of defined benefit obligation	20.92	12.93
Current service cost	7.02	5.67
Past service cost	-	-
Interest on defined benefit obligation	1.60	0.92
Remeasurements due to:		
Actuarial loss / (gain) arising from change in financial assumptions	(0.18)	1.16
Actuarial loss / (gain) arising from change in demographic assumptions	(0.01)	-
Actuarial loss / (gain) arising on account of experience changes	(0.43)	0.24
Benefits paid	-	-
Closing of defined benefit obligation	28.92	20.92

2 - Reconciliation of Plan Assets	31-Mar-19	31-Mar-18
Opening fair value of plan assets	-	-
Employer contributions	18.29	-
Interest on plan assets	-	-
Administration expenses	-	-
Remeasurements due to:		
Actual return on plan assets less interest on plan assets	0.89	-
Benefits paid	-	-
Closing fair value of plan assets	19.18	-

3- Amount recognized in Balance Sheet	31-Mar-19	31-Mar-18
Present value of funded defined benefit obligation	28.92	-
Fair value of plan assets	19.18	-
Net funded obligation	9.74	-
Present value of unfunded defined benefit obligation	-	20.92
Amount not recognized due to asset limit	-	-
Net defined benefit liability / (asset) recognized in balance sheet	9.74	20.92
Net defined benefit liability / (asset) is bifurcated as follows:		
Current	0.00	0.37
Non-current	9.74	20.55

4 - Current Year Expense Charged to Profit & Loss Account	31-Mar-19	31-Mar-18
Current service cost	7.02	5.67
Past service cost	-	-
Administration expenses.	-	-
Interest on net defined benefit liability / (asset)	1.61	0.92
(Gains) / losses on settlement	-	-
Total expense charged to profit and loss account	8.63	6.59

5 - Amount Recorded as Other Comprehensive Income	31-Mar-19	31-Mar-18
Opening amount recognized in OCI outside profit and loss account	3.19	1.79
Remeasurements during the period due to		
<i>Changes in financial assumptions</i>	(0.19)	1.16
<i>Changes in demographic assumptions</i>	(0.01)	-
<i>Experience adjustments</i>	(0.43)	0.24
<i>Actual return on plan assets less interest on plan assets</i>	(0.89)	-
<i>Adjustment to recognize the effect of asset ceiling</i>	-	-
Closing amount recognized in OCI outside profit and loss account	1.67	3.19

6 - Disaggregation of Assets	31-Mar-19	31-Mar-18
Category of Assets		
Non Quoted Value		
Insurer managed funds.	19.17	-
Others.	-	-
Grand Total	19.17	-

7 - Results of Sensitivity Analysis	31-Mar-19	31-Mar-18
Discount rate		
Impact of increase in 50 bps on DBO.	-6.14%	-5.92%
Impact of decrease in 50 bps on DBO.	6.71%	6.45%
Salary escalation rate		
Impact of increase in 50 bps on DBO	6.68%	6.40%
Impact of decrease in 50 bps on DBO	-6.17%	-5.93%

8 - Summary of Actuarial Assumptions Adopted	31-Mar-19	31-Mar-18
Discount rate (p.a.)	7.80%	7.75%
Salary escalation rate (p.a.)	10.00% until year 4 inclusive, then 7.00%	10.00% until year 5 inclusive, then 7.00%

9 - Maturity Profile	31-Mar-19	31-Mar-18
Expected benefits for year 1	0.64	0.37
Expected benefits for year 2	0.84	0.51
Expected benefits for year 3	0.98	0.91
Expected benefits for year 4	1.45	0.74
Expected benefits for year 5	1.08	4.46
Expected benefits for year 6	6.51	0.70

The Principal Assumptions used for the purposes of the actuarial valuation as follows

Method used for sensitivity analysis: The sensitivity results above determine their individual impact on the Plan's end of year Defined Benefit Obligation. In reality, the Plan is subject to multiple external experience items which may move the Defined Benefit Obligation in similar or opposite directions, while the Plan's sensitivity to such changes can vary over time.
